A motion was made by Dick Gifford to have the Executive Committee meet and discuss re-vamping our Fun Flies. Consider separating fuel aircraft from electric. Also helicopters be included in a category for gas and electric. Prizes should be aligned according to the category entered, and prizes be of value that they are worthy of the \$5.00 entry fee. Rules should be established, printed and followed for each Fun Fly. The Executive Committee will present their decisions at the Sept. 5 meeting. Following much discussion, the motion was seconded by Ron Schumacher. A vote was taken and the motion was accepted.

Raffle was held by Rich and Robbie.

Motion to adjourn at 7:56 PM by John Carrao, seconded by Jack Greenfield. Motion carried.

Respectfully Submitted
