Largo Flying Club – Student Pilot Release Form

This bottom portion must be signed and dated by the student prior to flight instruction at largo Field. The Largo Flying Club Chief Flight Instructor will submit the lower portion to the club Webmaster to placed on the website "Flight Instruction Page" linked with the student name password protected with students AMA # as a PDF File.

All Largo Flying Club Instructors have demonstrated advance E/C pilot skills are willing to share those skills with people interested in learning to fly R/C aircraft. At all times, the instructors will make every effort to safeguard the student's aircraft. However, it is understood that any damage to the student's aircraft and any damage caused by the student's aircraft will be the sole responsibility of the student.

I have read and understand the above statement

Student Signature _____ Date Signed _____
